

Palm Jumeirah at Golden Hour. A View Reserved for CIOs.

An exclusive, invite-only executive experience for CIOs combining strategic dialogue, a private hot air balloon over Palm Jumeirah, and curated fine dining at Atlantis, The Palm.

This conversation focuses on one question:

How do CIOs reduce time-to-outcomes, while keeping governance intact in the age of AI?

📍 Atlantis The palm 📅 February 10, 2026 🕒 4:00 – 8:00 PM

Discover why digital transformation stalls even at enterprise scale.

Join a candid, CIO-only discussion on why automation alone fails to deliver outcomes.

Explore how CIOs are moving from IT bottlenecks to governed innovation with AI.

Why this conversation matters

Enterprise transformation is scaling, but execution is not.

CIOs are expected to move faster, without increasing risk or disrupting core systems.
